Betting Basics

Some essentials to get you started with making a wager.

1 How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

1 Name of racetrack (choose from any track in the simulcast feeds)
2 Number of the race
3 Amount of your bet (e.g. $2)
4 Type of bet (see step 2)
5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, $2 to WIN on Horse #4

How to use a self-serve terminal:

1 Swipe your Cash Card/Insert Cash
2 Enter the initial PIN #1234 (then choose a new PIN)
3 Press/Tap the track you would like to bet: (defaults to current race)
4 Tap the Horse Number: **#4**
5 Press/Tap the Bet Type: **WIN**
6 Press/Tap the Bet Amount: **$2**
7 Press/Tap the Race Number: **Race #6**
8 Press Green **"Make BET"** button
9 Press/Tap the **"Finish with Receipt"** button
10 Be sure to check your ticket to confirm it's the bet you wanted

To get a Cash Card or for assistance ask a teller, or a staff member.

2 Types of bets

Single horse bets (minimum $2.00 bet is required)

Bet type	Level of difficulty	Explanation and expectation
Win	U U U	Your horse must finish 1st; payoff determined by the win odds.
Place	U U	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	U U U U	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	U U U U U	Pick the winners of two designated consecutive races.
Pick 3, Win 4, Pick 5, Pick 6	U U U U U U	Select the winners of a designated set of consecutive races. The wager must be made prior to the start of the first race in the multi-race wager.
Triactor*	U U U U U U U	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	U U U U U U U U	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.

* Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order.

All of the numbers and letters in the program might seem confusing or overwhelming at first, but focusing on these sections makes choosing a horse simple.

1. Horse's number in the race
2. Horse's post position colour
3. Horse's colour, sex, age,sire (father), dam (mother), sire of the dam
4. Morning line odds
5. Horse's name
6. Driver and Driver Record (Name, # of wins, # of 2nds, # of 3rds, winning %)
7. Trainer information
8. Horse's Lifetime record (with best win time, track size, track, age, lifetime wins and lifetime earnings)
9. Horse's current record (# of races, # wins, # of 2nds, # of 3rds, and money earned)

4 The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

Morning line odds
Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

Calculating a $2 win prize
To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add $2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	$3.00	$6.00	$9.00	$12.00	$22.00

Helpful facts for betting

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

3 Tips to remember
WIN BETS on the **FAVOURITE** pay 32% of the time
PLACE BETS on the **FAVOURITE** pay 53% of the time
SHOW BETS on the **FAVOURITE** pay 67% of the time

* Numbers listed above are approximate, may vary by racetrack.

WOODBINE™

Woodbine Entertainment and its' employees are honoured to engage in the sport of horse racing and entertainment activities in the meeting place of Etobicoke. Woodbine Racetrack is located within the traditional and treaty Lands of the Mississaugas of the Credit. Known as Adoobiigok, the "Place of the Alders" in Michi Saagiig language, the region is uniquely situated along the Humber River Watershed, which historically provided an integral connection for Anishinaabe, Haudenosaunee, and Wendat peoples between the Ontario Lakeshore and Lake Simcoe/Georgian Bay regions. The territory is covered by the Dish With One Spoon Wampum Belt Covenant, an agreement between the Anishinaabe and the Haudenosaunee to peaceably take care of the land and resources around the Great Lakes. Woodbine is honoured to care for this land, our human and equine athletes, and provide a place to race responsibly.

Race 1 Selections **The Horseplayer's Journal by Garnet Barnsdale**

#9 REMEMBER THE ALAMO in four of his last six starts has faced the likes of Calicojack Hanover (twice), Ervin Hanover, and Buckabett Hanover, all of whom would be heavy favorites in this field. In the other two starts where he was in easier, he won both of them. Last week, he sat fourth, and his night was essentially over once the leader landed at the half in a pedestrian 55 4/5. He did the best he could, firing home in 25 3/5, now her faces an easier field tonight. I don't mind that he draws a wide post here; that should help keep his price viable. He gets top billing to kick off a terrific card and the $75,000 guaranteed early Pick 5 wager.

#2 DUBLIN DASHER is another one that has been in too tough in recent miles that gets class relief tonight. Last week, he followed Calicojack Hanover around the track and he stayed for second, just holding off Remember The Alamo. Five starts back, this gelding set the pace to the stretch and got passed by Remember The Alamo who sat a golden pocket trip. There is a decent chance that these two could battle it out for the win again tonight.

#4 AMERICAN HISTORY has been terrific since returning from a two-month break, taking three wins and a second. Most recently, in a Pop Up series final, he didn't get the best trip, but he still managed to prevail despite being cited in the judge's report as having lost both front shoes. He is as sharp as he gets right now, but this is a big class jump tonight. I can see him passing a few rivals in the back half and sneaking into the Tri or Super.

#10 COLD CREEK QUESO has been flying at the end of his recent miles, and he wasn't disgraced racing at this level last week when he closed for fourth. He is obviously up against it starting from the widest post here, and I don't consider him a win candidate, but he could trip out in the back half if he stays glued to the pylons and waits for room to close. He will offer a big price tonight starting from the widest post, and he is another one to consider to spice up exotics prices.

Race 2 Selections **The Horseplayer's Journal by Garnet Barnsdale**

#3 LASTDRIVEDOWNMAIN, a Captain Crunch homebred, gets sent out for his maiden voyage by breeder/owner/trainer Megan Scran off some good recent qualifying miles. He gets Scran's partner, Scott Zeron in the bike, and it's interesting that Zeron drove this colt's full sister Flower Shops to a 1:53 4/5 score in her debut in a Goldenrod race in August of 2023. This colt looks as good as any in here, and you have to think he will get put into play leaving the gate. I'll give him the slight nod in a race with a few options.

#4 MANDESTINY, a $40,000 Harrisburg buy, has yet to make it into the Exacta in eight starts to date, but he has been facing tougher Grassroots rivals recently, now he gets to drop into a maiden race. Four starts back, he raced well at this level after starting from a wide post. He followed the winner to the lane, then he was trapped in the pocket until very deep in the stretch, so he was unable to do any better than finish third. He adds Lasix tonight, and I can see him being a speed threat in this spot.

#7 SOLAR VOLTAGE came into last week's race off a sixth-place finish that was probably better than it looked on paper because not much went right for him in that race. After floating off the gate and finding a spot in sixth, he moved out at the half and once in the flow, he was briefly forced three wide entering the final turn. He ended up fourth-over on excess cover and by the time he fanned widest, the leaders had got away from him. Last week, he raced more aggressively, but he provided perfect winning cover for the favorite. He will get there soon, and in may be tonight.

#9 DEAD MANS CHAIN is a $18,000 London Classic Sale purchase that makes his debut tonight off two qualifiers in a week, the second one much better than the first. He is a half brother to one filly that raced and was winless in eight starts, but he paced faster in his second qualifier than she did in any of her pari-mutuel starts. This colt sat in Lastdrivedownmain's pocket on October 10th and had no problem getting past that colt in the stretch. He is another possibility in a race that lacks a standout.

Race 3 Selections **The Horseplayer's Journal by Garnet Barnsdale**

#4 DELANEY HANOVER was probably best in the Hambletonian Oaks, but the trip just didn't work out for her. Since then, she has affirmed that she is one of the top sophomore trotting fillies on the continent by winning three of five, and that trio of wins comprise a current three-race win streak. Perhaps her best win came two starts back when she knocked off 1 to 5 favorite Yo Tillie who entered that race boasting a perfect 9 for 9 record in 2025. She followed that upset up by winning the Kentucky Filly Futurity and lowering her lifetime mark in the process. I imagine she will get driven to win while saving as much as possible for next week's Breeders Crown Final, and she is without a doubt the one to beat.

#8 KADENA took a new lifetime mark on the same day that Delaney Hanover beat Yo Tillie then she blew up in the stretch in the Kentucky Futurity costing her a chance at a good placing. She is having a solid season, and she will likely blast for position here from her wide post. She should get a good share tonight if she minds her manners and stays trotting. She could add some value to the Exacta as a 15 to 1 morning line choice.

#1 STASH SOME CASH got a tough trip in the Kentucky Futurity but she kept coming, powering home in 27-flat to get up for third. This daughter of Walner is a consistent filly that has earned close to $300K while only winning twice so far in 2025. My once concern for her tonight is her rail draw because she could get out sprinted early, but she should be good for a share nonetheless.

#3 MONALISHI is a local hope that just lowered her lifetime mark in the $300K Gold Super Final, now she gets class tested moving out of the provincial program into the Grand Circuit. That was an impressive score where she held off a hot filly to take her 10th win in 18 starts lifetime. She is a versatile filly that can be equally effective racing on the lead or stalking the pace and I think she will make the Final.

Race 4 Selections **The Horseplayer's Journal by Garnet Barnsdale**

#2 MADDEN OAKS went one of the biggest trips of the year at this track in the North America Cup Final when he almost pulled off a monumental upset after starting from post 10. He comes out of a race where e was first up pressing a 1:19 4/5 three quarters, which is too fast even for The Red Mile. It's interesting that he gets a new set of hands tonight with one of Mohawk Park's top teamsters Louis-Phillipe Roy taking over the lines. He should be able to work out a better trip than he got in his most recent start, and I'll give him top billing in the opening leg of tonight's 20-cent Pick 6.

#6 PRINCE HAL HANOVER is having a big year, earning more than $1,000,000 winning some big races where he avoids Louprint who is undefeated in 2025. He looks to make amends for a disappointing North America Cup Final where he went straight to the back at the start and never got involved in the race. He does his best work racing on or near the lead, and starting from the best post tonight, he will likely be the one to catch and beat as they pace to the wire. He finished ahead of Madden Oaks in that last mile in Lexington, but he only outlasted that rival by a neck, and I don't think there is much between these two.

#8 SIPPINONSEAROC got hot in August and September going on a win streak deploying exactly the same racing style in all of his wins. He was parked at the quarter in every one of those races and was leading by the time they reached the half, then he was defiant on the engine until his last start at Dayton where he simply went too fast to the half. Starting from the widest post, there is a strong likelihood that he will clear to the lead before the half, and he will need to be caught. I wouldn't argue with those that side with him here; he should offer a square price.

#4 FUSION took a new lifetime mark two starts back in Lexington then he almost pulled off an upset in the Tatersalls despite breaking stride at the three quarters. He typically deploys a stalking style which will probably be tough sledding in this loaded field, but he should be able to come on late and take a share. He is probably a good one to use on the bottom tonight.

Race 5 Selections **The Horseplayer's Journal by Garnet Barnsdale**

#9 SYLVIA HANOVER has had a terrific five-year-old season so far, taking six wins, five other Exacta finishes and one third from 12 starts. She has traded some decisions with archrival Twin B Joe Fresh, although she did come out on the short end of their last three meetings. She interestingly adds Lasix after getting beat by her rival in what was essentially a match race when you consider that there were only three mares in that field and one of them was outclassed. With Twin B Joe Fresh not in this field, this is a race that Sylvia is supposed to win. It's really that simple, and Tim Tetrick will likely set up shop on the lead and play come and catch me.

#7 ABSOLUTION is one of the sharpest mares at this track currently, and she probably won't get bet much in this spot facing Sylvia Hanover and losing Bob McClure in the bike. She gets a capable replacement in Todd Ratchford who knows her well. She has been absolutely flying late in her miles – see her 25 1/5 kicker last week – and I could see her flying late again tonight and sneaking into the Exacta if Sylvia Hanover blows the race wide open as expected.

#5 SO MUCH MORE woke up two starts back when she got aggressive teamster Doug McNair in the bike, and she was sent down the road for a sub-1:50 win. She came right back and raced great last week, winning a backstretch battle and driving away on the last turn before getting picked off very late in the mile. The 77-time winner is at her sharpest right now, and although I don't see her beating Sylvia Hanover, she can get a trip racing close to the front and take a good share.

#6 MY GIRL EJ was third behind Twin B Joe Fresh and Sylvia Hanover at this track in the Milton Stakes two starts back, then she didn't fare as well facing those same two stars in the Dayton Pacing Derby for mares. She is winless in 2025, but she has taken slices in half of her 10 starts. She draws best here, and she will likely represent the lowest Exacta payoff behind Sylvia Hanover. I'll try to beat her out of second in this spot.

Race 6 Selections **The Horseplayer's Journal by Garnet Barnsdale**

#6 YO TILLIE had her perfect 2025 record blemished in her last start at The Red Mile, but she was beaten by a perfectly tripped out Delaney Hanover, who is no slouch and got a clear run up the inside at the head of the lane when the leader drifted out as soon as the came into the stretch. This terrific filly is now 17 for 22 lifetime and starting from the best post in her Breeder Crown elimination I imagine she won't be fooling around here. She will likely set up shop on the lead from the outset, and she is the obvious one to beat in here in the opening leg of tonight's middle Pick 5.

#9 R DUTCHESS was an easy winner of the $375,000 Elegant Image here on September 20th after starting from the same wide post she draws tonight, then she was set back for interference on the first turn in a controversial disqualification. She then came back and raced great in the Kentucky Futurity, rallying from the back to get second behind Delaney Hanover. If there is a filly in here that has a shot of defeating Yo Tillie, it is likely this razor-sharp John Butenschoen pupil.

#5 STORMONT BEAUTIFUL has really blossomed in her last four starts, highlighted by an ultra impressive Gold win on September 30th. In that mile, she tracked the leaders to the last turn where she looked live racing on third-over cover, but the filly that she was following wasn't advancing a step. She was wheeled out three wide coming off the final turn, but she still had about six lengths to make up with time running out. She absolutely exploded with a kind of move rarely seen, turning that deficit into a seven-and-a-half length lifetime best win on the strength of a 26 2/5 final quarter. It was no surprise to see her get hammered down to favorite for the Super Final last week, and she couldn't catch a sharp Monalishi. She gets class tested tonight, but I can see her coming on late to get a spot in the Tri.

#3 CHAMPAGNE PROBLEMS is capable than much better than she showed in the Kentucky Futurity and perhaps that line should be tossed because of her second tier post. She was doing well previous to that race by laying close to the front and she can bounce back with a better effort tonight.

Race 7 Selections **The Horseplayer's Journal by Garnet Barnsdale**

#7 LOUPRINT, is the unanimous #1 horse in the Breeders Crown poll for good reason. Not only is he 10 for 10 this year, but he also comes off a race where made a 1:46 3/5 winning mile look easy. He was the victor here in June in one of the most thrilling renewals of the North America Cup, showing speed and grit that night. It doesn't take a handicapping genius to figure out that he is the clear horse to beat in both this Breeders Crown elimination and final next week. A loss here would be a monumental upset.

#6 SWINGTOWN, stablemate to the top choice, followed him around the track in Lexington and paced the fastest mile of his life in defeat. He draws best and he adds Lasix tonight, and he will probably blast off the gate again tonight and end up with the same trip as he got in his last start. There is a strong likelihood the Ron Burke Exacta will be repeated, but no one will get rich betting it.

#9 CRACK SHOT is a sharp local hope that has the misfortune of drawing the widest post in this elimination, but he has enough speed to get positioned in the top five leaving the gate here. He comes off the best mile of his life where he raced first-over in the Gold Super Final and absolutely powered away from his rivals with a 25 4/5 final quarter that contributed to him getting a new lifetime mark. He gets class tested now, but he is sharp enough to land a share tonight.

#1 MANOLETE is in terrific form currently having won three straight but this is a big jump in class. He likely won't get bet much here because of the class rise, but I could see him sitting an inside following trip in fourth or fifth and sneaking into the bottom of the Tri or Super at what will likely be a big price. He is one to consider for use on the bottom of exotic wagers.

Race 8 Selections **The Horseplayer's Journal by Garnet Barnsdale**

#1 LEXUS KODY began a hot streak here at Mohawk Park when he won both the elimination and final of the Maple Leaf Trot, scoring upsets in both miles. He parlayed those victories with an impressive front end win over an international field at Yonkers, then he dead heated with Periculum at Hoosier Park. Most recently, he won from what looked like an impossible spot in the Dayton Trotting Derby, surging late. He draws the rail tonight, but that shouldn't be a problem for him. He will likely make an early move to the front and control the race from there. He should extend his win streak in this Breeders Crown elimination.

#2 GET A WISH DK is interesting to me here as a longshot that might be able to find his way into the Exacta and create some value. He had some gait issues in July and September before qualifying well at Harrah's Philadelphia, then he powered home in 26-flat in the Allerage in a fast mile. If Lexus Kody leads the way as expected, I could see this Ake Svandstedt pupil passing some rivals that tire late after trying to keep up with the leader.

#5 UP YOUR DEO was used up early in the Dayton Trotting Derby two starts back, so it was no surprise to see him raced conservatively in his next start after drawing a wide post in the Allerage at The Red Mile. He adds Lasix and he does his best work when he blasts for position then takes a following trip racing close to the front which is a scenario that will likely play itself out tonight. He can land a share in here.

#3 SECURITY PROTECTED is another one that was way too far back in the Allerage that will likely get placed much closer to the front tonight starting from an inside post. He was only beaten by two- and three-quarter lengths by Lexus Kody two starts back in the Dayton Trotting Derby, and he can be close here if he gets a similar inside following trip.

Race 9 Selections **The Horseplayer's Journal by Garnet Barnsdale**

#2 MIKI AND MINNIE meets Chantilly tonight, which is a matchup the harness racing world craved and were deprived of on North America Cup night when Chantilly got sick and was scratched. This Chris Ryder trainee has been sensational all year long, taking 10 wins from 12 starts while finishing second in the other two. After taking her second loss in her most recent start at Lexington, she was freshened, and she comes into this Breeders Crown elimination off a workmanlike qualifying win. She adds Lasix tonight and draws better than her main rival and I'll give her a slight nod in this opening leg of tonight's late Pick 5.

#9 CHANTILLY has had her sophomore season derailed more than once due to sickness, but she comes into her Breeders Crown elimination looking fit and ready. Her Gold win two starts back was sensational with her effortlessly pacing a 25 4/5 kicker to pace her rivals into submission. She followed that up with a game win in the Gold Super Final, and she should be even sharper now making her third start back. This will be an interesting game of cat and mouse with neither driver looking to empty the tank with the lucrative Final of this Breeders Crown division being raced in a week.

#8 LOOKSGOODINLOULOU tripped out to take down Miki And Minnie on September 14th in Lexington, then she came right back and raced tough in defeat in the Garnsey after starting from the widest post and parking a long way. She is a hard trier that will likely blast for position, and she is a potential separator in the late Pick 5 in a race where the top two picks will be used exclusively on those tickets.

#5 UNREASONABLE has had a great season so far taking seven wins from 12 starts while hitting the board in all her other five starts. She took a mid race shuffle and re-rallied to beat Looksgoodinloulou in a sharp effort in her last start, and she draws one of the best posts in here. She should be good for a small share in this spot.

Top 5 finishers will advance to the $600,000 USD Final.
Elimination winners draw for post positions 1-6 in the final.

Even the horse can't believe it.

If you farm or run a stable part-time, Section 31 of the Income Tax Act taxes you at a higher rate. It's hurting farmers, stables, and the future of the sport.

That's not just a bad bet — it's bad policy.

Race 10 Selections **The Horseplayer's Journal by Garnet Barnsdale**

#2 ERVIN HANOVER got hot starting in August, winning six of his last seven starts, and ironically, his most impressive mile might have been the lone defeat here in the Canadian Pacing Derby Final where he was terrific in defeat. After making two early moves to the front in that mile, he was engaged by favorite Bythemissal in the third quarter and those two warriors threw down in a 26 2/5 slugfest. He repelled that challenge then led to the final strides where he got picked off by a fresh rival. He then reeled off three straight wins, and he is the clear horse to beat in this Breeders Crown elimination that kicks off tonight's late Pick 4.

#2 NIJINSKY, last year's North America Cup winner on this track, has had a decent four-year-old campaign so far, taking three wins and four other shares from seven starts, and he was a good second to win machine Brue Hanover in the Mohawk Gold Cup. He returned to the track after a rest on September 27th and he was conservatively driven. The 25 4/5 kicker that he paced in that mile had him sitting on a win, and he fired a sub-1:48 winning effort in his second start back. He is fresh and sharp, and he is a contender, but I'm not sure he or any others in here beats Ervin Hanover if he is on his game. It is interesting that it appears that Louis-Phillipe Roy chose him over Ervin Hanover tonight.

#1 BYTHEMISSAL was terrific winning his Canadian Pacing Derby elimination in a lifetime best 1:46 4/5 then he engaged in a third quarter war with Ervin Hanover in the Final. Perhaps those two big efforts knocked him off his best form because he didn't perform up to his standards in his next three starts. He qualified well for this elimination, and I could see him rebounding with a better effort and landing in the money tonight.

#7 OAKWOOD ARDAN IR is one of the better closers in this field, and he will take back at the start and look to rally late in the mile. I don't see him as a win contender, but he can pass some of these late and take a share same as he did here in the Canadian Pacing Derby where he finished third.

Race 11 Selections **The Horseplayer's Journal by Garnet Barnsdale**

#5 KEN HANOVER rebounded from a couple of sub par efforts (for him) to rally for a 1:48-flat win in the Allerage in his last start in Lexington and he comes into this Breeders Crown elimination sharp. He has been rating in the middle of the pack in recent starts, but I think that strategy will change tonight with him drawing one of the two best posts at this track. He will likely blast for position and either lead the way or sit the pocket, and I'll give him a slight nod over another sharp rival that starts to his immediate right. He adds Lasix for this race.

#6 MAXIMUS MIKI got hot in August, starting with a win here in the Canadian Pacing Derby where he rallied best from fourth-over to get up in the final strides to edge a winded but game Ervin Hanover. He then unleashed a sensational wide move to go from eighth to first in the second quarter of the Hoosier Park Pacing Derby from where he led the rest of the way on route to a new lifetime mark of 1:47 4/5. He is one of the obvious contenders in here, I just wonder if Ken Hanover will get the jump on him in this elimination race.

#7 ABUCKABETT HANOVER is a 24-time winning double millionaire that has had some success at this track in the past and comes in sharp following a nice rallying effort in the Allerage where he flew home in 25 1/5. He will no doubt look to sit and rally in this race, and if he can get in a live flow, he should be able to work his way into the Tri or Super.

#1 CALICOJACK HANOVER is a local hope that couldn't be any sharper, coming into this elimination having won three of his last four starts, but he makes a significant class jump into the deep end here taking on some of the best older male pacers in North America. He will probably get a spot in mid pack early and stayed glued to the pylons, and having fresh legs in the lane could lead to him sneaking into the Tri or Super. He will probably go off much higher than his 6 to 1 morning line quote, and he is worth a look for use on the bottom.

Race 12 Selections **The Horseplayer's Journal by Garnet Barnsdale**

#8 ARBITRAGE HANOVER is winless from 15 starts but he has been chasing much tougher company than he meets tonight, and he has a good opportunity here to get off the schneid here. He and the rest of his rivals had no chance racing against class dropping Blue Hunt last week when that rival pushed out from the rail post and insisted on making front, then paced his way to a blowout sub-1:49 win. This gelding showed that he is sharp by pacing a 25 4/5 kicker, and I think he will get aggressive in this spot despite drawing a wide post. He gets the nod to notch that elusive first win of the season.

#7 FORTIFY is the other one in here that drops out of that Blue Hunt win, and he chased that rival to the stretch then tired a bit late, but he still paced a 27-flat kicker. He will almost surely be blasting off the gate on the class drop tonight. He was a winner here racing at this level five starts back and he is the one to beat in here. It's hard to leave him off late multi-race tickets.

#6 LAMBORGHINI LOU comes in off a strong closing effort where he wasn't far back facing similar after trailing early and he draws the best post and picks up the leading driver tonight. He will likely look to sit and rally again tonight, and he should be part of the exotics, but he might be hard to take on top because I think he will get bet lower than his 8 to 1 morning line quote.

#5 NAZARE tried a middle move that didn't work out last week, and he is capable of better racing at this level. Three starts back he almost pulled off a win in this class after racing in the pocket, and he can be a threat if he can work out a similar trip tonight, which he may be able to do starting from one of the best posts. He is another one to consider for use underneath.

Race 13 Selections **The Horseplayer's Journal by Garnet Barnsdale**

#3 CENTURY KOMODO is one of two big class droppers in here that will likely take the bulk of the wagering support and he figures to wake up in this spot after missing a cheque in his last three starts facing the likes of Calicojack Hanover and Nijinsky, who both contest Breeders Crown eliminations tonight and both of whom would without a doubt be 1 to 9 in this field. I look for Louis-Phillipe Roy to give this Dave Menary pupil an aggressive steer tonight, and he will be tough to beat if he takes control at the start.

#7 CAPTAIN FEAR NOT is the other one in here dropping from the much tougher Open 2 class, and he is another that will likely get sent forward leaving the gate tonight. He was a winner here four starts back when racing one class lower than tonight's where he made all the pace after starting from a wide post. I could see the top two picks racing 1-2 to the stretch then settling the result in the sprint to the wire.

#1 ITS MAJOR MAJOR A is another class dropper that merits a look here coming off a failed first-over attempt facing tough rival Calicojack Hanover. I don't love the rail post for him here because he will likely get outsprinted early by at least a couple of rivals lined up to his right, but he can get a good following trip and stick around for a small share.

#4 PACINO HANOVER hasn't been able to convert off some good trips recently, but he fits well in this spot, and he also draws well. He should be able to work out another good trip, but I prefer to use him underneath in this spot. He should be part of the Tri or Super.

#9 JMR SPEAK AWAY has been flying at the end of his recent miles, and he got bet some in those last two starts where he fell just short in both. I don't mind the nine-hole for him here as he was mired with the rail post for both of those last two starts, and I don't think post nine is any worse for his typical style. He is a bomb that I would consider using on late multi-race tickets because if this race falls apart late, he could pass them all.

DON'T GET LEFT IN THE DUST!

CONDITIONS AND ALLOWANCES IN HARNESS RACING - IMPORTANT TO KNOW

The conditions of a race determine whether a horse is eligible to enter. For example many races are restricted to horses that have won a certain number of races or a certain amount of money in a specified number of starts. Many races are restricted to horses entered to be "claimed" (offered for sale) at a specific price.
Allowances in the claiming price itself are given to colts and geldings, four-year-olds and younger and to mares, five-year-olds and younger.
The purpose of the allowance is to keep younger horses more competitive when racing against older and more experienced rivals. Mares are given extra consideration in claiming events because of their potential as broodmares.

The accompanying chart shows what the allowances are, but an example may make them easier to understand. The chart indicates that three-year-olds receive a 50% allowance in claiming races. This means that a three-year-old entered in a $20,000 claiming race carries an actual claiming price of $30,000 (50% higher).

Fillies and mares receive an additional 25% allowance in claiming races. Details of the race conditions and claiming price (if any) are given at the top of each race in the program.

ALLOWANCES

	CLAIMING RACES	CONDITION RACES
2 year olds	100%	50% on 2025 earnings
3 year olds	50%	25% on 2025 earnings 50% on 2024 earnings
4 year olds	25%	25% on 2024 earnings

ALLOWANCES FOR PURSE EARNINGS

When Fillies/Mares compete against Colts/Geldings (normally on the trot) Fillies/Mares will receive an additional 25% on the condition of the race.
ie: nw $5,000 (FM $6,250) last 5 or $12,000 (FM $15,000) last 10 starts.

C.P.M.A. Regulation Changes

Effective January 1st 2012
CPMA will be instituting several new rule changes with regards to the following pari-mutuel pools:

Pick Pools

- If there are no winners in any leg of a Pick N pool, the entire pool is refunded.
- If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners.
- A pool is no longer refunded if the 1st leg in the pool is cancelled or declared no contest.
- Pick-3: If at least 2 legs are declared no contest or cancelled, the pool is refunded.
- Pick-4, 5 or 6: If at least 3 legs are declared no contest or cancelled, the pool is refunded.

EXPLANATION OF THE LASIX PROGRAM

After careful study and consultation with Ontario Horsemen's groups, racetrack operators and veterinarians, Agriculture Canada and the Alcohol and Gaming Commission of Ontario passed legislation allowing the controlled (or supervised) administration of furosemide, more commonly called"Lasix". "Lasix" is used to alleviate the symptoms of exercise induced pulmonary hemorrhaging in racing horses.
Horses will undergo an endoscopic examination of the trachea by a veterinarian licensed by the Ontario Racing Commission and endorsed by an official veterinarian before being allowed on the medication list. Once qualified, horses will be treated with "Lasix" within four hours plus or minus 15 minutes of a scheduled race in a secure retention area under the super vision of racing officials.
All horses on "Lasix" must remain on the program for a minimum of 100 days while racing in this jurisdiction.

L Denotes horses treated with Lasix.

Ⓛ Denotes horses treated with Lasix today who were not so treated for their last start.

Ⓛ Denotes horses treated with Lasix for their last start but not so treated today.

Pari-mutuel wagering and drug control services are provided under the supervision of the Canadian Pari-Mutuel Agency, an agency of Agriculture and the Minister of Agriculture. All pari-mutuel pools are calculated and distributed in accordance with the Pari-Mutuel Betting Regulations. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or locally at 613-759-6100 or E-Mail: cpmawebacpm@agr.gc.ca

RULES AND INFORMATION REGARDING CANADIAN HARNESS AND FOREIGN SEPARATE POOL EVENTS

GENERAL

All pari-mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by Agriculture and Agri-Food Canada ("the Regulations"), under the approval and supervision of the Canadian Pari-Mutuel Agency. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or 613-759-6100 or Email: cpmawebacpm@agr.gc.ca. A complete version of the CPMA regulations can be found at http://laws-lois.justice.gc.ca/eng/regulations/SOR-91-365/

All tickets should be held until the result of the race is declared official and prices are posted.

No person under the age of 18 shall purchase or cash a ticket or voucher.

A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel office of the association within twenty four hours of buying or cashing a valid ticket or voucher.

No ruling made by the Stewards/Judges or the Ontario Racing Commission with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official, shall have any bearing on the pay-out prices or distribution of pari-mutuel pools.

Change boards and Photo Finish display monitors are located in the Grandstand. In addition, Photo Finish pictures are shown on the closed-circuit television system. Customers are reminded that mutuel clerks are responsible for all shortages. When making a wager, customers must present sufficient funds at the time of purchase to cover the wagers requested.

ENTRIES AND MUTUEL FIELDS

"Entry" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled or considered as the same betting interest. The most common reason for the coupling of horses in an Entry is the fact that they are owned by the same person.

"Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled because the number of horses in the race exceeds the number which can be handled separately by the pari-mutuel system. Subject to the Regulations, a bet on one horse of an Entry or Mutuel Field shall be considered a bet on all horses in that Entry or Mutuel Field.

DAILY DOUBLE BETTING (INCLUDING LATE DOUBLE)

A Daily Double bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of the two races specified for the Daily Double. Tickets not selecting the winner of the first half of the Daily Double and all tickets in the second half of the Daily Double not coupled with the declared official winner of the first half of the Daily Double are not winners and are not refunded no matter what circumstances affect the running of the second half of the Daily Double.

Should a horse or horses (not coupled with another starter) be excused from starting in the second race of the Daily Double after the first race of the Daily Double has closed for betting, holders of all Daily Double tickets on such horses, coupled with the winner of the first Daily Double race, shall participate in a Consolation Double pool. (Effective Jan 1, 2012)

EXACTA (Also known as Exactor)/TRIFECTA (Also known as Triactor)/SUPERFECTA

An Exacta, Trifecta, Superfecta is a betting transaction in which a purchaser of a ticket undertakes to select the first two, three and four horses respectively, representing different betting interests to finish in the exact official order of finish, in the race on which the pool is operated.

SWINGER (Also known as OMNI)

A Swinger is a betting transaction in which a purchaser of a ticket undertakes to select horses to finish in any order from the official first 3 positions.

JACKPOT HI-5

A Jackpot Hi-5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the exact order of finish of the first 5 runners in the specified Jackpot Hi-5 race. If there are races that have an entry, (i.e. 1 & 1A and/or 2 & 2B), Jackpot Hi-5 will not offer a wager consisting of both halves of the same betting interest. Example: If the same betting interest finishes first and second in a Jackpot Hi-5, the payout would be 1st, 3rd, 4th, 5th, 6th.

That jackpot portion of the pool will only be paid out if there is a single winning ticket. If there are multiple winning tickets that have correctly chosen the first 5 runners of the race, they will receive 50% of the pool for that day. The other 50% will go over into the Jackpot carryover. If there are no winning tickets with the exact order of finish of the first 5 runners, 100% of the current day's pool will be carried over into the Jackpot.

PICK 3 & PICK-4 BETTING

The Pick 3 & Pick 4 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of three or four successive races specified for the Pick 3 & Pick 4 respectively.

Winning tickets for the Pick 3 & Pick 4 are determined in the following sequence: A) winners of all legs, B) most winners, then refund. If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners. If there are no winners in any leg of a pool, the entire pool is refunded.

PICK 5 BETTING

The Pick 5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of five successive races specified for the Pick 5 respectively.

If no one has correctly selected all 5 winners, the entire net pool is carried over to the next available PICK 5.

PICK 6 BETTING

The Pick 6 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of six successive races specified for the Pick 6 respectively.

If no one has correctly selected all 6 winners, the entire net pool is carried over to the next available PICK 6.

PICK 5 & 6 BETTING

If at least 1 race as part of the Pick 5 or 6 has been cancelled or declared "No contest", but not more than the specified below under Refunds, the net pool shall be distributed to those selecting the most # of winners and NOT include any carryover from a previous pool.

PICK 3, PICK 4, PICK 5 & PICK 6 SCRATCHES

In the event a Pick 3, Pick 4, Pick 5 or Pick 6 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in any of the races comprising the Pick 3, Pick 4, Pick 5 or Pick 6 the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection.

However, if a scratch occurs in any leg of the Pick 3, Pick 4, Pick 5 or Pick 6 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

REFUNDS

Subject to the Regulations, all monies in all pools on a race are refunded in the event that the race is cancelled, declared off or declared no contest, and all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. These refunds will be communicated to the public through various means such as betting terminals, video display, changes boards and our website.

The Pick(n) pool shall be cancelled and all Pick(n) wagers for the individual performance shall be refunded if:

- Pick-3: at least 2 legs are declared no contest or cancel. (Effective Jan 1, 2012)
- Pick-4, 5 or 6: at least 3 legs are declared no contest or cancel. (Effective Jan 1, 2012)

Where a horse that is part of an Entry is a late scratch or does not receive a fair start and at least one horse of that Entry receives a fair start in the race, all tickets purchased on the Entry remain valid and the purchase price of any such ticket shall not be refunded.

COMMON POOL WAGERING (INTERTRACK BETTING)

In the unlikely event of a communications or computer system failure that prevents pools from merging with the host track's pools before the end of a race, CPMA regulations require that the site must refund all tickets for that race. This refund will be communicated to the public through various means such as video displays, change boards and messages on our website.

FAIR START

If a horse has reached the Fair Start Pole (located 200 feet before the Starting Pole) by the time the mobile gate has reached the Starting Pole, that horse is deemed to have had a fair start. It makes no difference whether or not the horse is on or off stride at that precise moment. Under current policy and regulations, which are designed to be as fair as possible to all bettors on all starters, there is no Recall - a repeat of the entire starting procedure - when a horse does not reach the Fair Start Pole before the gate reaches the Starting Pole. Monies bet on such a horse are refunded in accordance with the regulation concerning refunds.

LOST & OLD TICKETS

WEG issued tickets or vouchers are valid indefinitely, however, they cannot be cashed at a mutuel teller after 2 years from date of issue. Please mail tickets, along with your name and address, to Mutuel Manager, P.O. Box 156, Rexdale, Ontario, M9W 5L2, keeping a photocopy for future reference.

For "Lost Tickets" originally sold at a Woodbine Entertainment Group racetrack or Teletheatre, please enquire at the Mutuel office at Woodbine, Greenwood Teletheatre, or Mohawk. Policy may be subject to change retroactively in the event regulatory bodies amend existing regulations.

ASSOCIATION PERCENTAGE, AND TAXATION/LEVY

The Woodbine Entertainment Group deducts and retains the following percentages from wagers placed at our own licensed sites which are then shared with the horsepeople, host and simulcast associations and the Ontario Racing Commission.

WOODBINE\MOHAWK LIVE: Win, Place & Show: 13.65%. Swinger 14.7%. Trifecta & Pick 4: 21.7%. Double & Exacta 17.2%. Jackpot Hi-5, Pick 5 & Pick 6: 11.7%. All other 23.0%

Horsepeople receive a further 2% on all wagers, except Trifecta wagering where it is 4%. The Ontario Provincial Government retains 0.5% on all bets placed in Ontario. The Canadian Government (through a revolving fund cost recovery basis) retains 0.8% on all wagers placed in Canada for provision of drug control, and audit services.

While every effort is made to provide accurate information in the program, Woodbine Entertainment Group assumes no liability for errors or omissions.
